MORE THAN A MEDICAL ID

With MedicAlert, first responders have access to your vital information in any time of need.

My MedicAlert Services

Providing the peace of mind that comes with 24/7 life-saving services.

24/7 Emergency Response Team

First responders are trained to recognize MedicAlert IDs. They call us and we connect them to your vital health information, ensuring you receive the best care.

Emergency Health Record

We provide an electronic health record that you can maintain and access from anywhere, at any time.

Family Notification

We communicate with your loved ones to inform them of your emergency, ensuring you are quickly reunited with family/friends.

Member Service Center

We provide live member support representatives to assist you with medical information updates, service upgrades, engraving recommendations, and medical ID purchases.

Global Services

Our dedication to safeguarding your health in the event of an emergency expands beyond our borders into more than 50 countries, and translation services are available in 140 languages.
